

# 2010 Professional Remodeler of the Year AWARDS PROGRAM

PRO Contractors are invited to compete for the prestigious *2010 Professional Remodeler of the Year Awards*, in recognition of their achievements during 2009. Companies – from one-person shops to the largest remodeling firms – report that winning this award is a major factor in enhancing their image within the industry and with prospective customers.

## Are You New to the PRO Awards?

With a membership consisting of the remodeling industry's finest, it's no wonder that each year we have many *first-time* entrants who go home with awards. If you are considering participating in the PRO Awards program for the first time, or even if you are a seasoned participant, take a look at these easy steps to the process.

- ❑ **Start taking pictures.** “Before & after” photos are required for each entry. Make it a point to take “before” photos at the start of every project. Take your “after” photos from the same angle, if possible, to show the judges the same perspective. Take lots of good quality pictures of your work.
- ❑ **Review the program.** All the details are included in this packet.
- ❑ **Order your entry binder.** You can mail or fax in your order form to your PRO. Please allow two days for processing.
- ❑ **Plan your entry.** Winning entries are always well thought out. Arrange your photos, drawings, project descriptions, etc., in a way that's easy to follow - from the beginning to the end of the project, using brief descriptions.
- ❑ **Follow the rules.** Choose your category carefully, fill out the forms completely, and submit your entry by the deadline.
- ❑ **Plan to attend the *Evening of Excellence*** to be held **March 2010**, where the winners are announced. You won't want to miss this event! Watch for details on date and location.

### The Judging Process

Winners are selected by an impartial panel of judges who are experts from within the industry and associated fields. Our evaluation process is done without revealing company names. All entries will be judged on aesthetic appeal, use of materials, functionality of space, and skill/craftsmanship. The decision of the judges is final. All entries will be judged against other submissions in that category to select winners and honorable mentions. In rare occasions, there may be no winner in a particular category if our standards are not met.

### Winners Announced

*Professional Remodeler of the Year Award* winners and honorable mentions will be notified by mail and/or phone. **Winners will announced at the *Evening of Excellence* to be held March 2010.** Winners will also be featured in...

**PRO Website** - Winning projects will be featured in the Photo Gallery on the PRO website at **www.PROohio.org**.

**RemodelOhio** – The winning projects' Before and After pictures will be featured in the Spring/Summer issue of *Remodel Ohio* - PRO's *Remodeling Guide and Membership Directory*.

**The RemodelOhio Show** - First Place entries will be professionally framed and displayed on the *Wall of Fame* (along with the companies' exhibit booth numbers) at the entrance of the **REMODELOHIO Show 2010**. Framed winning entries will be given to the entrants upon the conclusion of the Show.

The entry fee for an individual entry is \$150. Once this fee is submitted along with your Entry Request, your Award Entry Binder will be forwarded to you via Priority Mail. Fees are nonrefundable, non-transferable and cannot be carried over to subsequent years.
2. Projects must have been completed between July 1, 2008 and November 30, 2009. Entries that were submitted for last year's awards will not be accepted.
3. All projects entered in *Professional Remodeler of the Year awards (PRO Awards)* categories must be an improvement or addition to an existing structure, **unless entered in the Light Construction (new or remodeled category)**.
4. All entries must be received by Professional Remodelers of Ohio, 3500 Lorain Ave. #200, Cleveland, Ohio, 44113 **on or before Tuesday, February 2, 2010**.
5. All entries must arrive in the official *2010 PRO Awards Entry Binder*.
6. A contractor member company may enter multiple projects in multiple categories and may enter more than one project in the same category, but the same project may only be entered in one category, **with the exception of Best Design categories**. Any one project may be also entered into one design category. **Also, please note that large multi-area projects may be divided into smaller categories**. For example, if a project includes a kitchen, bathroom and mud room, you can enter a kitchen category, a bathroom category and interior category.
7. Sixteen plastic sleeves have been included with the official entry binder. The first sleeve is for entry materials only and will be removed upon arrival at the PRO Office. **These are required forms and must be included with your entry**. These items will not be returned to you. Therefore, be sure to make copies for your records and include the originals with your entry. **This first sleeve must include:**
  - a. **Official Entry Form** – Contractors complete and sign this form. Please fill out one form for each entry.
  - b. **Proof of Time/Homeowner Affidavit** – Contractors complete and sign this form. The homeowner must also sign this form. The affidavit box must be filled in for the categories requiring proof of cost. Project total cost must include fair-market value for homeowner provided sweat-equity or in-kind services or the services of a subcontractor that the homeowner might have hired (i.e. purchase of materials, demolition, painting, appliances, etc. and/or other subcontracted work) for the category entered. If a member submits a project that is his own property, the fair-market value of the project should be shown. Once this form is completed and signed by the homeowner, the contractor's signature must be **notarized**. Please fill out one form for each entry.

- c. **Photographer's Release** – The owner of the photographs (professional photographer, contractor, homeowner, etc.) must complete and sign this form. If the photographer's release is altered in any way, you may lose the opportunity to have your winning project photos displayed at the *Evening of Excellence*, the RemodelOhio Show, *Remodel Ohio - PRO's Remodeling Guide and Membership Directory*, and other various publications.
  - d. **What Products Did You Use?** – This information is important in that, winners may receive coverage in publications as a result of PRO's alliance with selected media sources. In order to get coverage, we need to be able to provide these companies information about the products you used in the project.
  - e. **Duplicate and/or Digital Set of Photos** – A duplicate set of "before" and "after" photos must be provided either in print, or **digital on CD (*preferable*)** in TIF or JPEG format. Photos in print should be labeled on the back and include your company name and category. Digital photo files should be titled to include the category name and 'before' or 'after'.

10. **All visible references to your company name, logo, address, city, and state, MUST BE ELIMINATED** from the front of these pages, photos, contracts, and other materials used in the entry or your project will be disqualified. If you are presenting a photo that has the required name/category on the back, be sure that your name is covered up with another photo, description, or a piece of blank paper. **Entries that display your name anywhere visible on these pages will not be judged**. It is imperative that we maintain anonymity in the judging process.
11. It is ***mandatory*** that you enclose "before" and "after" photographs of the entire job. Take shots from the same angle, if possible. Include "during" photos, if available, to show difficulty or innovative use of materials. Color photos are preferred, but all photos are acceptable. Mount

# 2010 Professional Remodeler of the Year Awards

## THE JUDGING PROCESS

A *Professional Remodeler of the Year Award Winner* is an entry that demonstrates remodeling excellence. Judges need to evaluate the balance of good marketing and the execution of a quality remodeling project. They use the following guidelines to evaluate each entry and compare them to each other. Please note that they are not required to present First Place Winners, Second Place Winners and Honorable Mention awards in every category. The following guidelines are intended as general direction in helping the judges compare the entries:

<b>First Place Winner</b>	<i>An outstanding or insightful approach or result. Significantly better than average.</i>
<b>Second Place Winner</b>	<i>Better than average approach or result of the entries submitted based on criteria.</i>
<b>Honorable Mention</b>	<i>Above average approach or result of the entries submitted based on criteria.</i>

### **Judging**

All entries will be reviewed by category to assign a point value to each entry. There will be no discussion among the judges about the entries before or during the judging process, nor do they see other judge's score sheets. The total number of points will determine the place of the winners (First Place, Second Place, Honorable Mention, etc.). In the event of a tie, the judges will, by majority vote, determine the winner.

### **Helpful Hints**

Be sure to answer the all of the following questions that are pertinent to your project on your one-page summary and/or within your entry to ensure that all information being judge is included:

- Describe the client's needs and desires.
- How did you meet those needs?
- Describe any budget limitations/restraints, if applicable.
- Include the client's testimonial. *(Optional, but preferred-- and highly recommended)*
- Are the materials functional/compatible with the existing structure?
- Are innovative uses of materials evident, or were any described and noted?
- Is lighting addressed?
- Describe any special problems and/or safety issues and how they were resolved.

*The following is an example of a judge's ballot. The sub-questions in each section are meant to stir the judges thought processes and may not apply for each entry. This ballot may be modified as deemed necessary.*

## **2010 PRO Awards** **FREQUENTLY ASKED QUESTIONS**

**1. *When is this year's deadline?***

**All Entry Binders must be completed and received at the PRO office no later than Tuesday, February 2, 2010 by 4:00 p.m. Eastern Standard Time.**

**2. *Do I have to use a professional photographer to take the photos?***

No. It is not required, but better quality photographs show the most detail and give a better impression overall. Remember, you are trying to convince a panel of judges that your entry should be selected as a winner, so even if you don't use a professional, use the best quality photos possible, particularly your "after" photos.

**3. *Do I have to include "before" photos or will "after" photos alone be sufficient?***

"Before" photos are required. It is not possible to see transformations if photographs of how the area looked prior to remodeling are not included. Get in the habit of taking "before" pictures at the beginning of every project. What began as an average project, just might turn out to be your best work. Also, taking your "before" and "after" photos from the same angle helps the judges view the project's transition more effectively.

**4. *Does a 'Proof-of-Time/Homeowner Affidavit' need to be filled out for every entry?***

Yes. This form must be filled out for every entry and the homeowners must sign where indicated. The contractor's signature on this form needs to be notarized.

**5. *When will I receive my binder back from Professional Remodelers of Ohio?***

The judging will take place in February. Entries will be available immediately following the Evening of Excellence to be held Thursday, March 26<sup>th</sup>. For those interested in entering the Chrysalis Awards, special arrangements have been made for our entries to meet their deadline requirements. Call Susie at (216) 619-6274 Ext. 15 for details.

**6. *The plans/drawings won't fit into the plastic entry sleeves. How can I make the plans/drawings part of the entry?***

If the drawings won't fit into the sleeve, but they will fit into the back pocket of the binder, we will accept them. The judges often find them very helpful as they are looking over the project. However, they can't extend out of the top and sides of the binder. The drawings will be counted against your total page limit. If your drawings are multiple pages, we will count them as one sleeve/page (front and back).

**7. *Is my fee refundable if I decide not to enter the competition after receiving the packet?***

No. Once the binder is purchased, no refunds will be issued. Binders cannot be carried over to subsequent years.

**8. *How do I determine in which category to enter my project?***

Read the category criteria very carefully and don't forget to check out the specialty categories that are very broad and cover unusual types of projects.

**9. *Can I find out if I have won an award prior to the Evening of Excellence?***

You will be notified by mail, if you are a *PRO Award* winner. Your winning place (1<sup>st</sup>, 2<sup>nd</sup>, Honorable Mention) will only be announced at the *Evening of Excellence Awards Program* to be held at Windows on the River in Cleveland, Ohio, Thursday, March 26<sup>th</sup>, 2010.

**10. *How will I know if you've received my entry?***

Be sure to include your email address on your Official Entry Form. An email will be sent to you upon the Entry Binders receipt at the PRO office. If no email is provided, a courtesy call will be made to your company phone number confirming receipt.
